

Information on Child Support/Services/Grants for doctoral schools

1. There could be a possibility that a person (having a child) receives federal aid for students (Studienbeihilfe) if it is under the age of 38. See here “reasons for remission”:

<https://studieren.univie.ac.at/en/tuition-fee/remission-and-reimbursement/>

Students (including non-degree programmes) who receive or have received federal aid for students in the current or last semester

Proof: official notification from the Austrian Study Grant Authority (“Studienbeihilfenbehörde”)

2. Pregnancy/Parenthood and Academia
